B.Com with ACCA

B.Com with ACCA course at PAHER University is a 3 year undergraduate programme and has been designed in collaboration with the Association of Certified Chartered Accountants (ACCA), UK and International Skill Development Corporation (ISDC), UK.

The curriculum of ACCA has been completely integrated here. Hence the students get a unique opportunity to pursue ACCA qualification in tandem with their 3 years undergraduate course.

ACCA (the Association of Chartered Certified Accountants) is the Global Body for Professional Accountants. ACCA offers business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management.

Founded in 1904, ACCA has consistently held unique core values: opportunity, diversity, innovation, integrity and accountability. ACCA believes that accountants bring value to economies in all stages of development. The primary aim is to develop capacity in the profession and encourage the adoption of global standards. ACCA's values are aligned to the needs of employers in all sectors and ensure that, through their qualifications, the finance professionals are prepared to meet the growing business needs of the corporate world.

ISDC – International Skill Development Corporation is a leading education and skill development organization with a vision of bridging the global skill gap between academia and industry by developing qualifications on demand. ISDC is a Limited Company, registered under the Companies Act of England and having operations across the globe. It imparts a set of Skill Development Activities through its structured plan and aims at Developing Skills for Tomorrow. The operation includes various Skill Development Projects, Professional and Vocational Education Activities, International Schools and Colleges, Professional and Corporate Training, Consulting, Research & Development. ISDC has branches across the country.
