INFRASTRUCTURE & FACILITIES

Campus

The campus is spread over an area of 4581 sq. meters (Another 8000 sq. meters proposed for future expansion) and pledges to be an excellent knowledge enterprise striving for academic and professions in technical education, research and services to the industry.

Hostel

Separate facilities are available for Boys and Girls. The hostel is within the college campus and is very well furnished with double bed, study table and wardrobes. Lodging facilities are also provided within the college making it easier for the students. Other amenities include attached toilet, bathroom, with 24-hour hot water supply through solar water heating system and a 24-hour power back up.

Library

Our library holds more than 25,000 books, periodicals, reports and reference material of different subjects. Spread over an area of 420 sq. meters, the library is based upon the state-of-the-art Library Management System (LMS) to ensure convenience for students. Future expansion plans of the library include 'Computerised Inventory Monitoring' and other Reprographic facilities. The library also plans of adding internet journals by subscribing to INDEST consortium managed by IIT-Delhi.

Recreational Activities

The faculty has a strong feeling that a healthy mind works better. Sports also inculcate good qualities in us. Involving oneself in competitive sports will encourage healthy competition. Taking up captainship in team games will inculcate leadership qualities. Playing as a team will encourage co-operation among the players. Apart from sports activities the college has plans for an annual visit to the industries in the nearby area. This helps in bridging the gap between industry and college. In addition, we encourage and appreciate students to participate in our annual festival.
